

MISSION: IMPOSSIBLE

In Matthew 24 Jesus says that "the Gospel will be preached in the whole world as a testimony to the nations and then the end will come." The Joshua Project estimates that 40% of the world's population still remains 'unreached', so there is still a task to finish but the question remains; Is this a Mission Impossible?

Here at WBC we certainly do not believe that this is impossible BUT it's certainly a challenge that faces every believer and we each have a responsibility to share our faith with those in our friendship groups, our neighbours, our towns & villages and with the nations.

The Mission Group at Welton is on its' own little mission as we seek to raise awareness of those we support, it's not just sending money and letting someone else get on with it! It's about building relationships with them and showing a genuine interest in what they are doing so that involvement in their ministries becomes part of our own calling and participation in the 'Great Commission'. We aim to be a team that connects what's happening in other places with us here locally and are looking for others to come on board and get involved - this needs all sorts of different skills - computer, writing, praying, phone calls, etc etc... could you be part of this?

We are also keen to support anyone who has a desire to make Jesus known, whether in 'Jerusalem, Judea, Samaria or to the ends of the earth' (Acts 1:8) so please come and chat to either Matt Hebditch, Phi & Sally or Dave & Anona and share your thoughts and we would love to pray with you and support you in any way we can.

We're not there yet! We have a way to go, but believe God is with us...

God Bless, The Missions Team
